

WE ARE THE WORLD'S #1 REGENERATIVE MEDICINE DIRECTORY AND NEWS WEBSITE

RMN works exclusively with doctors and clinics that offer specialties related to stem cells, PRP and regenerative medicine procedures. Let us help you engage, educate and reach new patients interested in this specific area of medicine.

WE ARE ON THE BRINK OF A NEW ERA IN MEDICINE

Patient Demand
For Regenerative
Medicine is Growing
Exponentially

Is your medical
practice positioned to
grow and become a
leader in this space

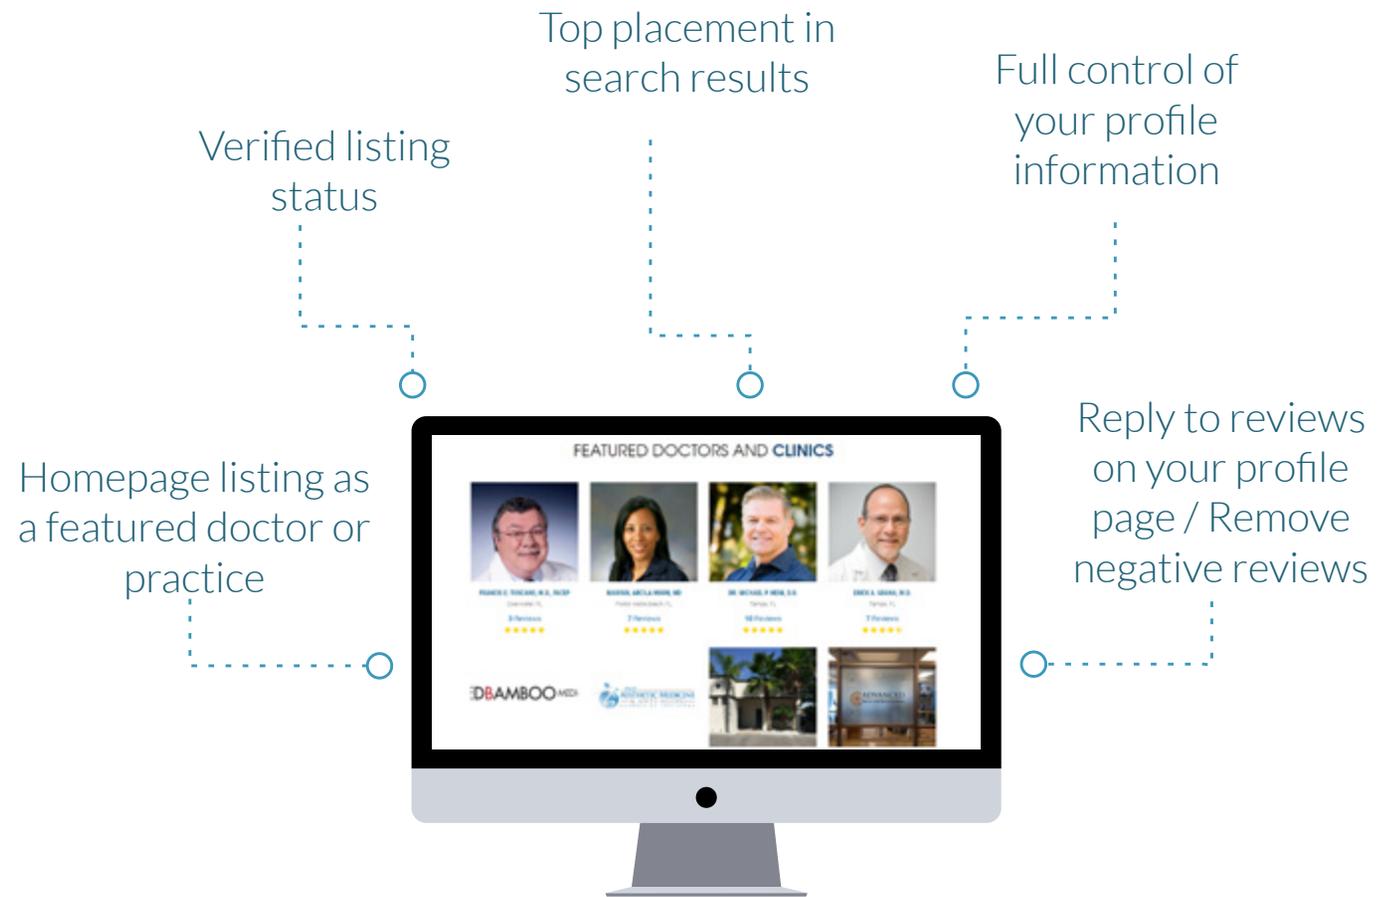

Explore our advertising
solutions below.

ENHANCE YOUR PROFILE LISTING. REACH MORE PATIENTS.

Our users are the most engaged health consumers on the web.

Our audience is made up of educated, affluent adults who turn to online sources for regenerative health information. They seek the most up-to-date information to make confident treatment decisions when it comes to their family – and themselves.

Featured Listing Benefits Include:

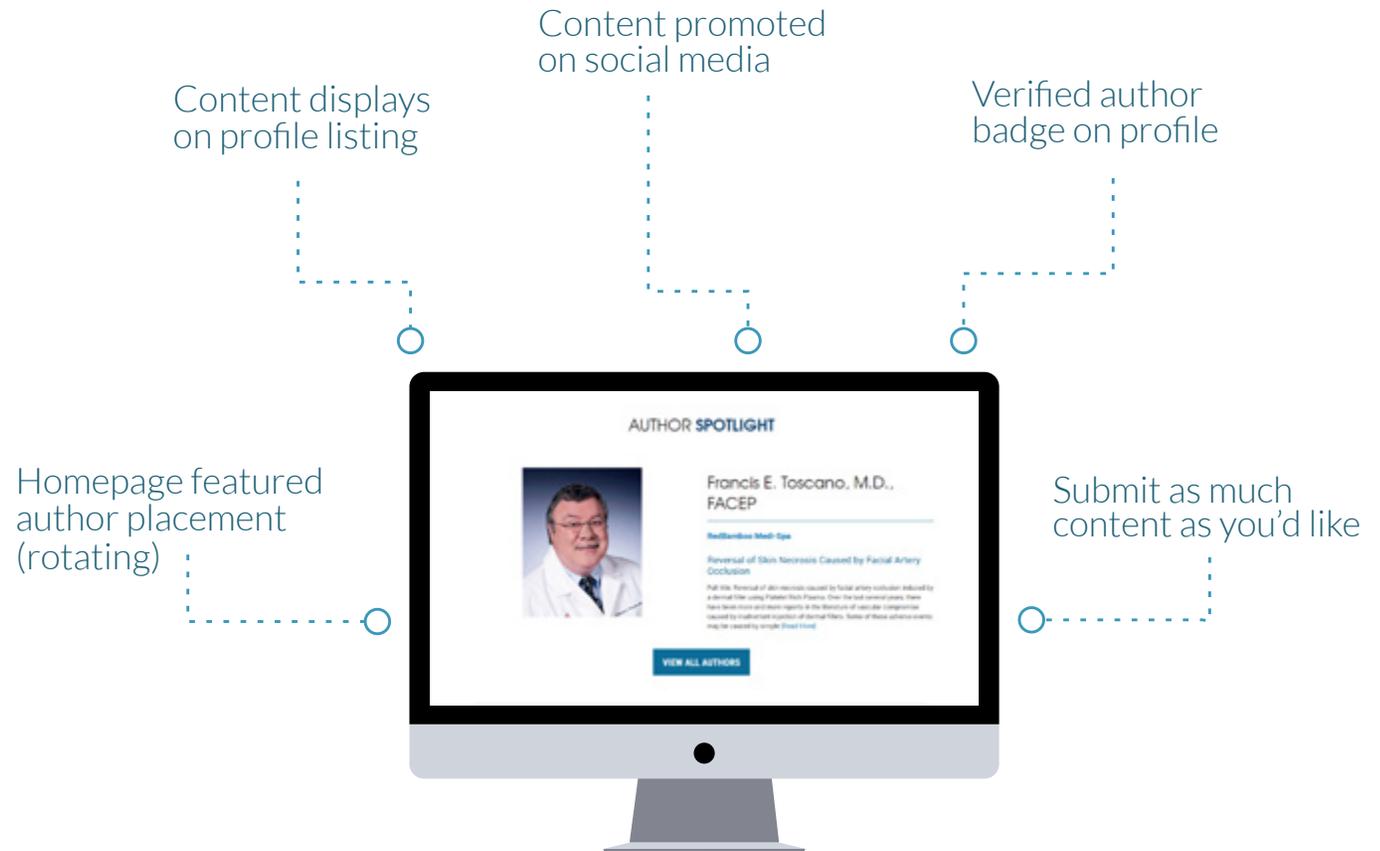

Cost: \$499/month

PROMOTE YOUR CONTENT. BECOME AN AUTHOR.

Share your knowledge and expertise in regenerative medicine with the world.

From complex case studies to general articles related to regenerative medicine techniques, connect with our targeted audience of patients seeking quality content that educates and solidifies your role as a thought leader.

Featured Author Benefits Include:

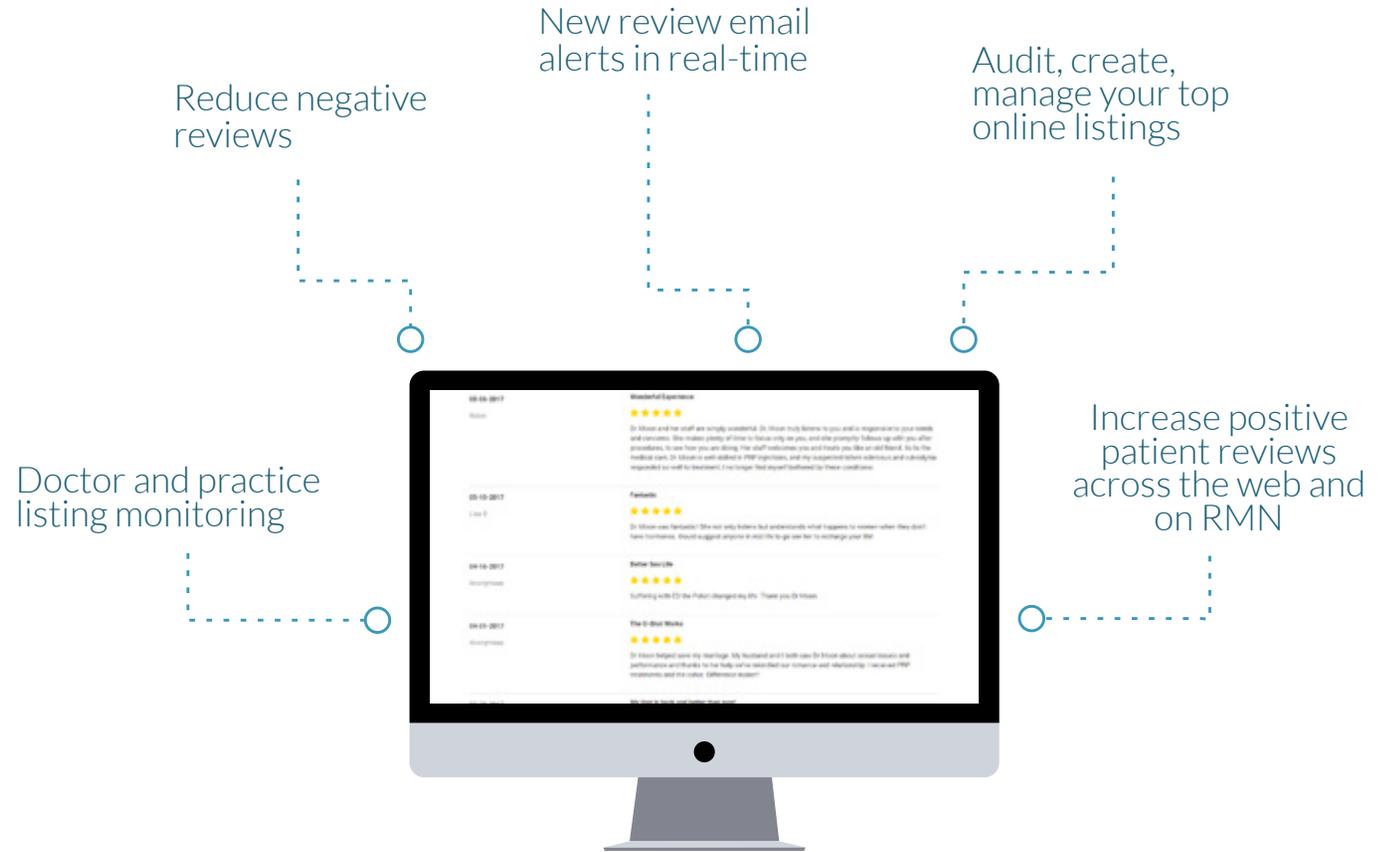

Cost: \$299/month

ATTENTION: REVIEWS MATTER. WE GET YOU MORE.

With **85%** of patients reading reviews online before making a decision, it's become vitally important to control your reputation online. Don't let fate control what people see and read when they search for your name or practice.

Our advanced reputation management services provide benefits on RMN and across the web.

Advanced Review Management Includes:

Cost: \$299/month

IS YOUR WEBSITE HOLDING YOU BACK? LET US TAKE A LOOK.

Specializing in the field of regenerative medicine, our team includes web developers, designers, and SEO marketing professionals ready to help.

We work exclusively with RMN doctors and clinics to improve their websites and increase new patient inquiries.

On average, we improve the performance of websites unlike any other digital team.

Customized pricing based on consultation
